

## **Medication Transportation as Unaccompanied Baggage on Northbound flights**

**If an individual needs medications flown to them on the North Slope, please follow the instructions provided:**

- ❖ Individuals must contact Receiving Medical Clinic for all medications being transported. Medication must be authorized by the Clinic
- ❖ Medical clinic will contact Aviation Operations Support and provide required information
  - Authorization
  - Flight Number
  - Passenger Name
  - Company
  - Name and phone number of individual bringing medication to Ticket Counter
- ❖ Aviation Operations Support will manifest the medication on requested flight
- ❖ Medication must be in a box with required information
  - Receiving Clinic and Phone Number
  - Passenger Name and Company
- ❖ Receiving Medical Clinic will verify and release medication to individual

**Medication will not be accepted by the Anchorage Ticket Counter without notification from Aviation Operations Support that the clinic authorized the transportation.**
