Tariff Advice Letter No. TL29-538

Dear Commissioners:

The tariff filing described below is transmitted to you for filing in compliance with the Pipeline Act (AS 42.06) and 3 AAC 48.200 — 3 AAC 48.430.

Tariff Sheet Number		Cancels Sheet Number		Schedule or Rule Number
Original	Revised	Original	Revised	
5	12th	5	11th	Rates

By this filing, Alpine Transportation Company ("ATC") submits its annual revision to its rate for the intrastate transportation of petroleum, as required under the Alpine Settlement Agreement accepted by the Commission in Order No. P-00-15(11) (Dec. 5, 2001). The revised rate reflects an increase from \$0.78 per barrel to \$0.86 per barrel, due primarily to reduced throughput. The revised rate was calculated in accordance with the Alpine Settlement Methodology ("ASM") set forth in the Alpine Settlement Agreement. ATC requests that the enclosed revisions to ATC's Tariff Sheet No. 5 be approved effective January 1, 2013. On November 20, 2012, ATC also submitted a filing with the Federal Energy Regulatory Commission ("FERC") to revise ATC's interstate transportation rate effective January 1, 2013.

Enclosed is a hard-copy printout of the rate calculation. ATC has also enclosed a disc containing the rate calculation in excel format. Both versions of the rate calculation are submitted in sealed envelopes marked "Confidential Pursuant to Section I-5 of the Alpine Settlement Agreement."

Pursuant to Section I-5(a) of the Settlement Agreement, ATC previously provided its annual rate calculation to the State of Alaska. ATC will notify the State of Alaska and ATC's shippers of this filing by e-mail.
