OIL PIPELINE TARIFF FILING

Honorable Kimberly D. Bose, Secretary
Federal Energy Regulatory Commission
888 1st Street N.E., Room 1-A
Washington, D.C. 20426

Dear Ms. Bose:

In accordance with the requirements of the Interstate Commerce Act and the rules and regulations of the Federal Energy Regulatory Commission ("FERC"), ConocoPhillips Transportation Alaska, Inc. ("CPTAI") submits the following tariff to be effective March 5, 2011:

- F.E.R.C. No. 22.0.0 (Adoption Notice) (cancels F.E.R.C. No. 1)

CPTAI is making this baseline filing in compliance with the Commission's Order on Electronic Tariff Filings in Docket No. RM01-5-000, 124 FERC ¶ 61,270 (2008) ("Order No. 714"). Order No. 714 requires oil pipeline companies to file their effective tariffs in electronic format to establish a baseline tariff for the e-Tariff database. CPTAI was unaware that the adoption notice contained in F.E.R.C. No. 1 needed to be part of its initial baseline filing on December 16, 2010. The attached filing corrects that omission. As shown on the Adoption Notice, the issuer and preparer information have also been updated to reflect current information.

CPTAI requests that any protests or complaints, which in any way affect this tariff publication, be transmitted concurrent with their filing to the following persons at the contact information shown below:
