Subject: Tariff Advice Letter No. TL48-307
Updated Pipeline System Map

Dear Commissioners:

On behalf of Kuparuk Transportation Company ("KTC"), the tariff filing described below is transmitted to you for filing in compliance with the Pipeline Act (AS 42.06) and 3 AAC 48.200 — 3 AAC 48.430.

Tariff Sheet Number		Cancels Sheet Number		Schedule or Rule Number
Original	Revised	Original	Revised	
3	1st	3	Original	Map

By this filing, KTC requests approval of a "housekeeping" update to KTC's pipeline system map (Tariff Sheet No. 3). The current map was approved 25 years ago effective April 1, 1985. The updated map reflects (1) the addition of the connection of Eni U.S. Operating Co. Inc.'s ("Eni's") Nakaitchuq crude oil gathering line to KTC's Kuparuk Pipeline¹; and (2) other changes in connections and pipeline diameters that have occurred since the current map was approved. By this filing, KTC does not propose any substantive changes to the rates, terms, or conditions of KTC's intrastate crude oil transportation service, and this filing will not adversely affect any shippers or the public.

KTC requests that the tariff revision proposed in this filing be approved effective October 21, 2010, upon expiration of the 30-day statutory notice period. Please direct any questions regarding this filing to the undersigned at (907) 277-1604 or ddt@khe.com.

Sincerely yours,

¹ Concurrently with the filing of this tariff advice letter, KTC is separately filing an Application for Connection Permit and Temporary Connection Permit and a Request for Approval of Connection Agreement, both of which relate to the proposed connection with Eni's Nakaitchuq crude oil gathering line.
