Subject: Supplement to
Tariff Advice Letter No. TL49-307

Dear Commissioners:

On behalf of Kuparuk Transportation Company ("KTC"), the tariff filing described below is transmitted to you for filing in compliance with the Pipeline Act (AS 42.06) and 3 AAC 48.200 — 3 AAC 48.430.

Tariff Sheet Number		Cancels Sheet Number		Schedule or Rule Number
Original	Revised	Original	Revised	
7	1st	7	Original	Reserved

On March 1, 2011, KTC filed TL49-307, requesting approval of various "housekeeping" tariff revisions that were being filed in compliance with Letter Order Nos. L1000540 (regarding TL47-307) and L1000541 (regarding TL48-307), both of which were dated October 26, 2010. Subsequently, Commission Staff contacted the undersigned and indicated two additional items that should be addressed in a supplement to TL49-307:

(1) Tariff Sheet No. 7, which currently is "Reserved for Future Use," should be revised to substitute "RCA No. 307" for "APUC No. 307" in the upper-left corner of the tariff sheet. With this supplement, KTC is submitting Tariff Sheet No. 7 with the revision suggested by Staff.

(2) KTC should confirm that the new pipeline map on Tariff Sheet No. 3 shows the location of each intake and offtake point currently used and each intake or offtake point which has been constructed but is not currently used. With this supplement, KTC confirms that all intake and offtake points, whether in use or not, are shown on the current map.
